

FENTON ART GLASS COLLECTORS OF AMERICA, INC.

***IS PROUD TO INTRODUCE THE SOUVENIR FOR THE
YEAR 2000***

Lotus Mist Burmese
in the #170 Hurricane Lamp

As Fenton Collectors we have had the rare opportunity of being able to collect almost all of the types of glass known to the glass collecting world for Fenton has produced most of them. Now, we are able to enjoy and put a piece of the newest in our collections. "***Lotus Mist Burmese***" a glass of the softest green satin with just a touch of rose is a completely new Burmese formula that has been added to the Fenton's list of accomplishments.

Don't miss out on this once in a life time chance to obtain a souvenir of this beautiful glass. Each piece is signed by the artist and marked as the FAGCA souvenir for the year 2000. (Two reasons this must be a buy for you for the year 2000.)

Your souvenir Committee is most proud to be able to bring to you this treasure of the future.
