Dear Fenton collector,

We want to help those affected by the tragic events of September 11th. We have created five Fenton glass items with patriotic motifs to showcase the American spirit. These items can be ordered through Fenton dealers.

Profits from the sales of these items will be donated to the September 11th Fund. All contributions go the immediate and long term needs of the families of the victims of the attacks on the World Trade Center, the Pentagon, and Flight 93 in Somerset, PA. All families of the victims and fallen rescue workers need our continued support.

100% of every contribution received by the September 11th Fund will be used to support these efforts. The United Way and the New York Community Trust are underwriting all administrative costs.

Please join the Fenton family and our caring employees as we extend a helping hand.

With best personal regards,

George W. Fenton

President, Fenton Art Glass
