Inspirational Crosstitch

Designed by Fenton artists' Linda Everson and Frances Burton exclusively for Christine Victoria. All with the most popular inspirational messages, each beautiful design is then displayed in a colorful solid wood frame.

Crosstitched completely freehand (without patterns) by women working in a Phillipine Christian Cooperative. The story of how the crosstitching is done is interestingly described on the back of the frame to inform your customers of the work and care taken in each piece. A great value.
