

Showcase Dealer Exclusive for Fall 2001

"Midnight Safari" Vase

Handpainted tropical plants provide camouflage for these masters of the jungle. Only the golden eyes of the black panther can be seen as he peers from the depths of the foliage.

Exclusive to Showcase Dealers, this "Midnight Safari" vase has Martha Reynolds' pattern combined with our lustrous black glass. Look for those animal eyes watching you in this unique jungle scene!

This vase makes a nice addition to our jungle theme grouping which includes three Jungle Cats as well as a covered temple jar, a vase, and a pitcher.
