## Tuscan Charm on Ruby Amberina Stretch

Home décor's most popular color combination—red and gold—is showcased in this plush grouping inspired by the designs and colors of Tuscany.

Kim Barley's elegant floral design against a background of luxurious Ruby Amberina Stretch glass provides a beautiful combination of artistic styles. Display with Autumn Gold to create a rich decorating look for fall.

# Halloween

The magic continues with sparkly decorations, glitter and Swarovski gem accents embellishing our Halloween favorites—a spooky Ghost, Scaredy Cat, Owl, and not-so-wicked Witch. The handpainted seasonal basket is decorated with a whimsical pumpkin and busy bat soaring through the midnight sky. The skeleton Ghost, Halloween Tree, and Owl are new items for this popular decorating occasion. **Last day to order is October 1, 2004.**
