"Flowers by Stella has been selling Fenton Art Glass with flowers for 30 years. The addition of Fenton provides a collectible keepsake container for our fresh flower arrangements. Fenton and flowers are a gift of beauty for every occasion and a profitable combination for our business."

Stella Pennise, Flowers by Stella, of Canandaigua, NY

"We use many Fenton vases and baskets in our floral business. It gives our customers a very nice arrangement with a keepsake that could easily become a family heirloom. The fact that Fenton is made here in the USA is also a great selling factor."

Sue Alsmann, Buds & Blossoms of Sullivan, IN

Flowers by Stella significantly increases her dollars per sale by carrying Fenton Art Glass. Whether selling live arrangements or silk, Stella encourages Fenton as the gift that keeps its value.

Florist Display Cases

Two stylish ways to display Fenton with your unique floral creations.

The three legged Egret unit holds an amazing amount of product in a footprint just over one yard in diameter. Its tall graceful silhouette provides 360 degrees of product display. When filled with the unique and varied assortment of Fenton Art Glass, it is a show stopper.

The more compact Pinnacle display features a smart faux finish and classic gazebo styling. Its domed top shelf is perfect to showcase tall, elegant bouquets. Three shelves offer opportunities to display by color or theme. The display unit beautifully showcases an appealing assortment of Fenton Glass.
