On Each Box:

Legend has it that gallant knights traveling in distant lands searched for gifts to bring to those they loved. A special slipper with a long curiously upturned toe was found and soon became a symbol of protection and happiness that was only given to a cherished few.

This glass slipper, with its long, curiously upturned toe - the symbol of protection and happiness, is given to remind you, today and every day, that you are loved and cherished.

Anniversary

Each flower is hand cut into the glass using special wheels. The precious metal lettering is applied and fired into the glass. Finally, each design is handpainted and fired again to create the brilliantly sparkling image.
