H A N D M A D E I N T H E U S A

**Dear Valued Fenton Customer,**

Like you, we want to help the people who were affected by the tragic events of September 11th. We have created five items with a patriotic Stars and Stripes motif to showcase the American spirit.

Profits from this grouping will be donated to the September 11th Fund. All contributions go to the immediate and long term needs of the victims, and families of the victims of the attack on the World Trade Center, Pentagon, and Flight #93 in Somerset County, PA. All families of the victims and fallen rescue workers need our continued support.

100% of every contribution received by the September 11th Fund will be used to support these efforts. United Way and the New York Community Trust are underwriting all administrative costs.

We hope you will join the Fenton family and our caring employees as we extend a helping hand to help the healing process begin.

With best personal regards,

*George W. Fenton*
