Frosty Friends

Stacy Williams created a new design to celebrate snow, highlighting each handpainted piece with sparkling glass ice. "Melton" the Snowman has two new friends, "Cuddles" the Kitten and "Nick," the warmhearted Santa, designed by sculptor Jon Saffell.

"Melton," a two-part fairy light with candle, is numbered, signed by a Fenton artist, and limited to sales through October 15, 2003.

Jon Saffell designed an elegant new stylized tree available in Spruce Green, Autumn Gold and Lenten Rose.
