

A Tee-riffic Evening...Well Worth the Drive!

SATURDAY, NOV. 13, 2010

*Even if you're an amateur at golf,
your pro status with Fenton qualifies you for this event!*

No one loved a great time better than the late Wilmer C. "Bill" Fenton...and what better way to honor his memory than hosting our annual V.I.P. event on the eve of his birthday. Next to family, countless friends, and his devotion to Fenton and our collectors, our beloved Bill was passionate about the game of golf...and the occasional joke. HA! Oh-h, how he would have loved the camaraderie of this year's V.I.P. Invitational!

If you've attended one of our past V.I.P. events in November, you know you won't want to miss it in 2010. If you're new to the game, then you're right on course to be an active participant in our annual V.I.P. event that's well worth the drive!
