

SPRING 2006

Mother's Day Special

Special keepsakes celebrate the love between mother and child, a bond like no other. Remembering such moments, sculptor Suzi Whitaker designed a new Treasure Box in the form of a playful cat perched upon an ottoman, ready to play. Designer Stacy Williams continues the fun as she decorated the ottoman in calico and beribboned the orange tiger cat. Cute yet functional, the cat's tail serves as a ringholder while the ottoman stores tiny treasures.

Specially priced to satisfy every budget.
Delightful to give or to own.
