The Nativity Collection

Handpainted robes are accented with 22k gold with Fenton's demanding eye for detail. Sculpted by Fenton designer Jon Saffell and new for 1998, Fenton introduces the "First Edition" of the Wise Men to go with the magnificent Holy Family that was introduced last year. The Wise Men will be authenticated with the artist's signature, as well as the words "First Edition" to signify they were produced in 1998. A prized collection worthy of being called a Family Heirloom.
