The Nativity Collection

Handpainted robes are accented with 22k gold with Fenton's demanding eye for detail. Sculpted by Fenton designer Jon Saffell and new for 1999, Fenton introduces the "First Edition" of the Gloria Angel, Camel and Donkey set to go with the Holy Family and Wisemen introduced in '97 and '98. The Gloria Angel set will be authenticated with the artist's signature, as well as the words "First Edition" to signify they were produced in 1999. A prized collection worthy of being called a Family Heirloom.
