Where Glassmaking Comes to Life

*Owning a piece of Fenton Art Glass is a delight,
but watching it made is an outright thrill!*

Colorful baskets – each with a unique
handler's mark – are perhaps Fenton's best
known shape, and visitors marvel at the
speed and dexterity with which the
workers manipulate the hot molten glass.

HANDMADE IN WILLIAMSTOWN, WEST VIRGINIA

Fenton Art Glass - Williamstown, West Virginia
Experience the Tradition...Celebrate the Art!

Our free factory tour offered on weekdays is up close and personal. Knowledgeable and friendly guides take you right to the action where skilled glassworkers use tools and techniques of centuries ago to create beautiful art glass...right before your eyes!

For tour times, gift shop hours and events, please call (800) 319-7793 or visit us at www.fentonartglass.com
