

"Gala" 2000

Fenton Finders of Kansas City invites all Fenton Art Glass Collectors to our "Gala", October 5, 6, 7, & 8, 2000.

Many activities are being planned for this, our first "Gala". A Water Set (Pitcher and One Tumbler) display and program, a glass identification session, a luncheon, with George & Nancy Fenton as featured speakers, the Banquet with Ferill Jean Rice as the guest speaker, and an auction of about 250 pieces of Fenton glass are some of the activities in store for those attending. There will be glass for sale in the collectors' rooms and we especially invite each person attending to bring a display to be placed in their individual room for all to enjoy. **Each suite has a window for displaying your glass.**

A special souvenir is being offered, it is the "Fenton Logo Plate". If you are not familiar with this piece of Fenton Glass, it is shown on Page 110, item #353 of the "Fenton Glass — The 1980's Decade" by James Measell. This plate was originally made in 1981 for the Fenton Gift Shop only. The souvenir plate will be made in two colors Violet and Aqua Marine. The selling price of the plate is \$45.00. Only about 150 of each color will be made. Each family may order two plates. Plates will be sold on a first come first served basis. (If any plates are still available during the "Gala" they will then be available to anyone wanting to purchase one or more).
