Mary Gregory

The distinctive Mary Gregory decoration on Cranberry glass remains our top collectible category. With its unique shading and intricate detail, this exceptional motif is a challenge to hand paint and a tribute to the skill of the decorator. Stacy Williams recalls the simplicity of youth in three new designs for this year's collection.

Cranberry Hearts

The Cranberry love affair continues with this unique Heart Optic vase. The glass must be reheated at just the precise moment to create the lovely hearts that adorn this classic vase. Gift givers and collectors in search of the perfect Valentine's gift for their Cranberry sweetheart need look no further.
