We salute all of our valuable patrons attending this final bittersweet event!

Fair For All... the Luck of the Draw!

Every V.I.P. is a winner in our eyes
and a select few will be really "lucky ducks."

There's no need to come early and stand in line for this year's V.I.P. event. You will enter with your VIP around 4PM according to your group number they draw prior to 3:45PM. **(Staging of groups will begin at 3:45PM outside near gift shop's entrance and exit areas...weather permitting)**

Due to space and time limitations, only V.I.P.s will draw a ticket ((#1-6) for the chance to purchase a special Fenton piece (many very limited and/or one-of-a-kinds) from one of six designated shopping displays.

If pieces remain...shopping will be open to all at 7:30PM.

Other Festivities for V.I.P.s to enjoy include:

- ★ **Tasty Refreshments**...Redeem your ticket on front of program.
- ★ **Bead Demonstrations**...with Jena & Truda (tour station area)
Also be sure to shop our new Fall - Holiday and exclusive VIP beads!
- ★ **Fenton "Winter Wonderland" Shop**...in Blue Ridge Room.
- ★ **Special Silent Auctions**...Don't miss the chance to place your bids!
Winners announced at 8:00PM. You need not be present to win.
- ★ **Fenton Family Signing Events**...throughout the evening!
Have up to three of your special pieces signed by a family member.
- ★ **Fenton Designer Demonstrations**...in our museum at 4:30PM
