

Mother's Day
Limited Editions
2005

a Fenton moment

Wild Rose and Peach Crest
are two of the rarest treatments
ever produced by Fenton.

To celebrate our 100th anniversary
and to commemorate the special
bond between mother and child,
Fenton is offering these selections,
featuring a Kim Barley design.
Each piece features a 100th anniversary
backstamp, is numbered and signed
by the artist who handpainted it.

7688 WM
