Fenton Critters 4 is a comprehensive Ebook on all the different types of Animals made by the Fenton Art Glass Company. This e-book has 872 pages featuring over 4,800 different Fenton Animals. It contains photos of animals from the 1950's to 2011 along with Fenton's ware #, color code, date of production and original retail price. These are grouped by the type animal, then mould and lastly color to make it easier to find a particular animal.

Fenton Critters contains Bears, Birds, Bunnies, Butterflies, Cats, Dogs, Elephants, Fish, Reptiles, Foals, Fawns, Mice, Raccoons, Squirrels, Hippos, Pigs, Lambs and several other Misc Critters including numerous different Covered Boxes.

A Must for the collector, no matter which critter you love the best!

For those of you that have the earlier Volumes, this new addition contains all the info in the earlier editions with hundreds more added!
