(Co-)Presidents' Message

Dear Members:

Well it is the last week of June already as we sit down to write this and we can hardly believe that the time has literally shot by since our convention in Cambridge, Ohio! Although we thoroughly enjoyed it this year, we both were exhausted and it was a whole week before we could even consider leaving the house to look for stretch! By then, we were naturally beginning to experience "STRETCH WITHDRAWAL" so we ventured out even though we knew there probably wouldn't be any stretch left in Ohio, especially after the invasion of all the stretch glass collectors.

Amazingly enough, we did find a few pieces, the best being a pair of 10-inch, Fenton #349 candleholders in *wisteria*! A few weeks later we were driving around southern Michigan because we wanted to see what the Ann Arbor Show was like and found some nice pieces including a tall, U.S. Glass vase in *topaz*, a Northwood #693 bowl in blue with a nice applied silver plated band around the rim.

In a nearby shop, we found an Imperial "chop plate" in red. Though we thought we certainly had this plate, we discovered that it had a different base diameter than the others that looked similar in shape. Other recent finds have

included a (Fenton) *tangerine*, handled sandwich tray, a (USG) opaque green, footed bowl, and a set of, larger than usual--10-inch, *pearl* plates. We also made it to the annual Imperial Convention in St. Clairsville, OH and the Tiffin Show and Sale in Tiffin, OH.

The Imperial Convention was interesting because they are in the process of trying to create an Imperial Museum patterned after the Cambridge and Heisey museums. Though their main event is a show with only professional dealers displaying wares, they did have an interesting carnival display with Carl Burns and his wife, Marsha, nearby. Carl is the author of the recently published book, *Imperial Carnival Glass*, Collector Books, 1996. While Carl has an "appreciation" of stretch, Marsha seems to be more taken by its charms.

After attending the Imperial show and sale, we were again struck with the differences that each glass club has. Unfortunately, the Imperial meeting has always left us a little empty because they do not seem to encourage member to member showing, trading and sales like the Fenton clubs, the various carnival clubs and our society.

The Tiffin Glass Club show is similar to Imperial's. While there were nice displays by dealers, there seemed to be little member to member activity. This may be due to the fact that this club

meets on a monthly basis. Apparently, at these monthly meetings, members are encouraged to bring pieces to show and sell. Unfortunately, this would mean that out-of-state members would have to make special efforts to get to these meetings.

Though Jan will later include the annual meeting minutes, we'll take this opportunity to highlight the activities that you missed if you weren't able to attend the convention this year. We were all very happy with the location, Cambridge is a very convenient place to get to with lots of antique shops in the area and the Holiday Inn was super with its well lit banquet room!

Even though we discovered we were sharing the site with some very enthusiastic Hopalong Cassidy Conventioneers--they were the folks dressed in cowboy outfits--we never felt over crowded.

The SGS Club display was amazing! We were definitely grateful to all of those who contributed pieces for this. We especially thank Bob and Helen Jones for bringing their sturdy display shelves. By the way, as we have slowly unpacked the boxes we took for the display, we find that we must have stuck one of our pieces in a box that wasn't ours! We have not been able to locate our *celeste blue*, #53 (diamond quilt) puff jar. We normally have small, oval labels on the bottom with a number assigned but we think no number had yet been placed on this piece. So, if anyone finds an extra jar in a box, it's probably ours!

The 1997 twin-dolphin comport in black stretch was a complete sell-out! The only ones left after the convention were some we had determined as unacceptable quality. We are working with Frank Fenton to exchange them with the few that were remaining at the factory.

Jim Steinbach took the assignment to work on next year's commissioned piece for the club. We are thinking about some non-DOLPHIN piece for a change. Maybe something like the Fenton #574 -- a crimped, flared bonbon, in plum opalescent with heavy stretch. Jim will be meeting with Frank Fenton to discuss

specifics. More information should be available in the next newsletter.

John Madeley and Jan Reichling are once again organizing the Chicago Area Mini-Convention for this fall. We recently saw Bill Crowl, star of this mini-convention, and he mentioned that he would be interested in doing the same in other regions of the country. Contact him directly if you're interested. John and Jan are also hosting next year's **Annual Show and Sale in Burr Ridge, IL (SW Chicago area) on April 30, May 1 and 2**. The convention for 1999 will be in Marietta, Ohio. So--MARK YOUR CALENDARS NOW! (If you have ideas for seminar topics for '99, let us know now so we can start putting things together).

Rosa Schleede has had a really tough time this year with a number of health set-backs and was unable to attend this year's convention. The membership voted to release her from her Board duties, allowing her to concentrate on recuperating. As Club Historian, Rosa has been the caretaker of the SGS Photo Album/Scrap Books and has updated them with photos from each convention for many years. We THANK HER for her work as historian and greatly appreciate her many insightful contributions during Board meetings and in the operation of the SGS as a whole. We hope that she knows we are all thinking about her and are anxious to see her at next year's meeting.

The role of SGS Historian has been assigned to Stephanie Leonard (thanks Stephanie!). So if anyone wants to contribute items for the Album/Scrap Books, please send them to her. Be sure to peak at the books the next time you go to convention, they are really interesting!

Our THANKS also goes to Joanne Rodgers for her willingness to serve another term on the Board. And finally, our WELCOME to the newest member to the Board, Phillip Waln of Quartz Hill, California. It's nice to see our western states representation broadening. We hope he can encourage some SGS mini-convention activities out that way....just let us know when it is and we will try to attend!

From the Editor's Desk

JAN REICHLING

Hi Everyone,

Well, what can I say, it was a wonderful Convention and I hope you enjoy the pictures of Stretch Glass that were part of the display this year.

Both Renee Shetlar and I have sent a complete set of our photos to our new historian Stephanie Leonard for the SGS 1996 Album/Scrap Book. Rosa, THANKS to you for all your work the past years. If you have not looked at the past convention pictures, it is unbelievable to see how much and what was brought to these conventions.

The Silent Auction in which 12 Whimsies were auctioned was a success and the winners were:

2 pieces to Jim Steinbach
1 piece to Bud Ashmore
2 pieces to Cal Hackeman
1 piece to Bill Crowl
1 piece to John Madeley
1 piece to Dave & Renee Shetlar
2 pieces to Jim Cottrill
1 piece to Mary Ann Sodeman (Sather)
1 piece to Nelson Heintzman

The winning bids were in the range of \$65.00 to \$150.00 per whimsy. We hope you enjoy your new additions!!!!

Included in this Newsletter are the 1996 minutes from the business meeting, the by-laws, and the latest membership list. Every year there are members who have not paid their dues and unfortunately they do not receive the July Newsletter. John Madeley is writing those people and in the October issue I will continue to include the "New Members" and any additions or corrections that I receive from you. Please feel free to send me your E-mail address and I will publish them. It is fun communicating with some of you via "cyber space".....

Also, for all the new members, please find the enclosed Book List, invaluable for your study about Stretch Glass.....your local library should have some of them available. Our thanks to Dave Shetlar for the line drawings...

If any of you do receive the Glass Collector's Digest, please look for our Stretch Glass Society ad...

For those of you at convention who signed the get well cards for Rose Schleede and Frank Fenton, both are doing well. Frank Fenton sent a note thanking us for thinking of him and I had the pleasure of speaking with Rosa and hearing directly from her that she is doing well and back to getting around, working, and enjoying life.

Yes, John and I with a group of people locally and in the Society will host the 1998 Convention in the Chicagoland area. More news on that in October.....we are looking forward to seeing all of you again.

THE STRETCH GLASS SOCIETY

Minutes of the 1997 Business Meeting
Saturday, May 3, 1997

The President called the Annual Meeting of the Stretch Glass Society to order at 7:45 p.m. and called for the approval of the 1996 minutes as presented by Jan Reichling in the July 1996 Newsletter. Joanne Rodgers moved that we accept the minutes as presented in the July 1996 Newsletter. Jim Steinbach seconded the motion. The question was called and the minutes were approved as presented.

The Treasurer's Report showed a beginning balance of \$3131.57 with deposits of \$8664.00 which included the dolphins pieces. The disbursements were \$4381.00 which included the mailing and payment of the dolphin pieces to Fenton resulting with a new balance of \$7414.57. The Treasurer's report was audited by Bill Simpson and Bill Mahan. Bill Mahan made a motion that the audit be approved as read. Bill Simpson seconded the motion. The question was called and the financial statement was approved.

Fenton has guaranteed any broken or chipped 1997 dolphin pieces. Frank Fenton reported to the Stretch Glass Society in a letter, that 295 pieces entered into the Lehr during the 4 hour production period and 185 pieces came out of the Lehr in acceptable condition. Dave and Renee Shetlar went to the Fenton Art Glass Company and approved 150 pieces. Of the whimsies, about 80 went into the Lehr and only 12 pieces were acceptable for the silent auction. The cost of the 150 comports was \$3,600.00 and with the charge to the Society members, we yielded a net profit of \$1,650.00.

The Board met on Friday, May 2, 1997 to discuss items of interest and importance to the Society and did approve that we would consult with the Fenton Art Glass Company to produce a piece for 1998. Hopefully it will be plum opalescent, but we will discuss and negotiate the 1998 piece with the of the Fenton Art Glass Company. The 1998 piece may not necessarily be a dolphin piece. Whimsies will be discussed with the Fenton Art Glass Company for next year in order to have a silent auction.

Future meetings were discussed and the 1998 meeting was reaffirmed to be held in the Chicagoland area on April 30th, May 1st, and May 2nd. To be exact it will be in Burr Ridge, IL, southwest of Chicago. John Madeley and Jan Reichling will co-chair this convention and will solicit assistance from other local members.

The board also approved that the 1999 convention which was scheduled for the Columbus, Ohio area be moved to the Marietta, Ohio. The Shetlars and Steinbachs will be the local chairs for this convention. The year 2000 Stretch Glass Convention is under discussion.

Augusta Keith made a motion that the Treasurer not send out membership cards because the cards have no particular value. Stephanie Leonard seconded the motion. No discussion followed. The question was call and approved.

Discussion followed as how to address the "glass sale" in a orderly manner. The board and chair people for the 1998 convention will discuss and address this issue. It may be that a given period of time be given to those who are selling to set up without sales occurring during this setup. Room sales were discussed and it has been a tradition in the Society to meet and display our glass in one area. This issued will be addressed in a future Newsletter prior to the 1998 convention. "Fair Notice" will be served.

Two positions for the Board of Directors expired with this meeting and The Board of Directors assigned two members at large who were not part of the Board of Directors or Executive Membership to seek and suggest to the Society candidates who would be proper candidates for these positions Mildred Bicksler and Jean Bucher were assigned this task. Joanne Rodgers has agreed to continue as a Board Member. Phil Waln will also perform as a Board Member. Jean Bucher and Mildred Bicksler nominated Joanne Rodgers and Phil Waln to serve as board members to fill the vacancies. General nominations were opened to the floor. No further nominations were presented. A motion was made by Stephanie Leonard to accept the nominations by acclamation. Jean Bucher seconded the motion. The question was called and approved.

The President, Board of Directors, and other Officers of the Society sincerely thank Rosa Schleede for her service and assistance to the Society.

Dave and Renee extended their thanks to those who assisted in participating in the 1997 Convention and apologized if they have left anyone out of the following list.

Jim Steinbach for visiting and searching for a convention site.

Bob and Helen Jones for providing the staircase and covers for the display.

Fred and Arna Simpson, Jan Reichling, John Madeley Joanne Rodgers, Leo and Augusta Keith, Stephanie Leonard, Phil and Nancy Waln, Dave and Renee Shetlar, and Tom and Jean Bucher for providing glass for the display.

A special thanks from Dave to Renee for her participation and all the "behind the scene" work.

Berry Wiggins made a motion to adjourn the meeting. Joanne Cummings seconded the motion. The questions called and approved. Meeting adjourned at 8:10 p.m.

THE STRETCH GLASS SOCIETY is a national organization designed to stimulate interest in American stretch glass produced from 1916 through 1935. The members share information on the manufacturers and designs of stretch glass. Members are entitled to the newsletter produced quarterly, SGS Member Directory, and may attend the annual Convention and Show held in April.

Through its membership, the Stretch Glass Society can answer most questions concerning the origin, names and colors of stretch glass. May we acquaint you with the makers - Fenton, Northwood, Imperial, Diamond, U.S. Glass, Vineland, Lancaster, Jeannette and Central? At the annual show, you can see colors such as: blue, green, topaz, pink, russet, wisteria, red, tangerine, opaque blue, opaque black, opaque yellow, opaque white and many more!

Annual dues are \$18.00 per year. Please send this membership form and check made out to the **STRETCH GLASS SOCIETY** and mail to:
