### 1994 Sentiments Collection

#### "Loves Me, Loves Me Not"

Fenton artists perfect the "Legendary Mary Gregory" technique. Designed by Martha Reynolds, each is an original work of art. Presenting these treasures on lustrous Ruby glass is one of our proudest moments. Sure to please the collector and lover of fine objects of art.

#### Cranberry Opalescent Heart Optic

Limited to Sales through February 14, 1994

These special Valentine's limited editions begin with Gold Ruby glass made with pure gold. It is encased in a layer of French Opalescent glass and then blown into an optic mould to provide the heart pattern. The heart pattern protrudes and when reheated, the convex portions of the pattern receive more heat than the concave areas, causing the opalescence to grow and turn white. The piece is then blown into the final forming mould.
