The American Christmas Tree

by Fenton

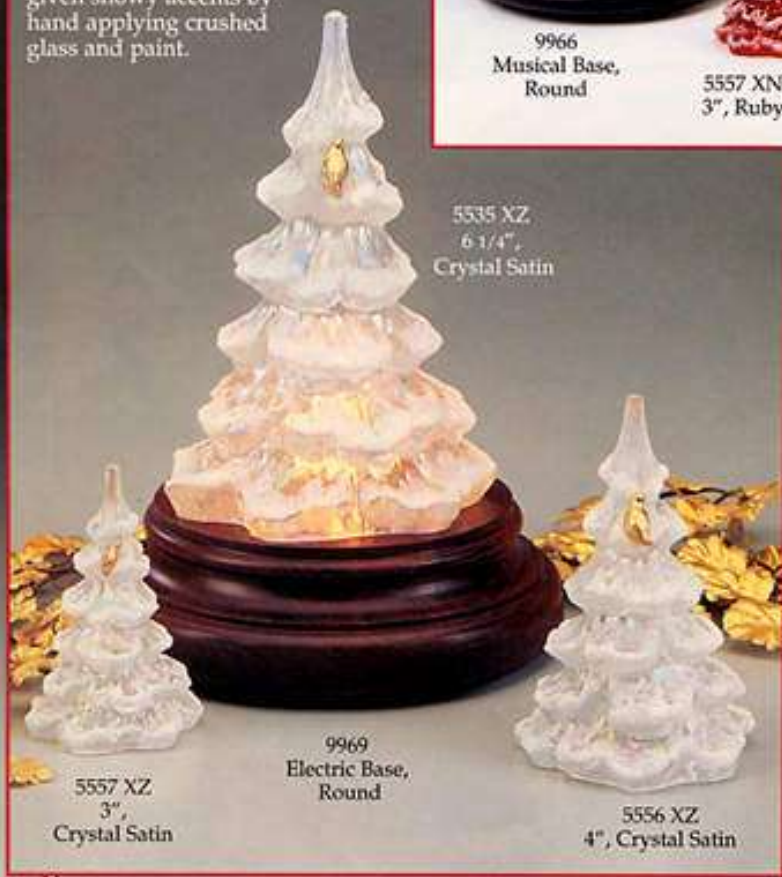

"Partridges in a Pine Tree!"

... And in four colors too! Precious little partridges are covered in 22k gold and nestled into the snowy branches of handmade Christmas trees.

Two new colors have been added for 1995... Spruce Green and Rose Pearl. Add the musical base which carries an 18 note Sankyo movement playing "O Christmas Tree" and the equally nice wood lighted base.

Each Christmas Tree is given snowy accents by hand applying crushed glass and paint.

Available in 3 sizes:
6 1/4", 4" and 3"
