BURMESE "PEACHES" PIGLET

The 2005 *Glass Messenger* Subscriber Exclusive "Peaches" Piglet figurine is made in luscious Burmese which contains pure gold in the formula. Inspired by the blush of Burmese, from a creamy yellow to a peachy pink, Kim Barley created a special "Fruits and Flowers" design for "Peaches" the Piglet. Each Piglet is individually numbered, dated, and inscribed with the signature of Shelley Fenton.
