Sandcarved Works of Art

designed by Kelsey Murphy
and Robert Bomkamp

Working with exotic Rosalene glass and historic Chocolate glass for their canvas, Cameo Artists Kelsey Murphy and Robert Bomkamp have created two breathtaking articles for those who love Fenton glass. The "Pinecones" Vase and "Poinsettias" Ginger Jar are strictly limited to individually numbered pieces.

Silhouette

Designer Kim Barley's vibrant red floral on crisp milk glass makes quite a statement! This "fashion forward" design coordinates beautifully with our Ruby glass.

Ruby

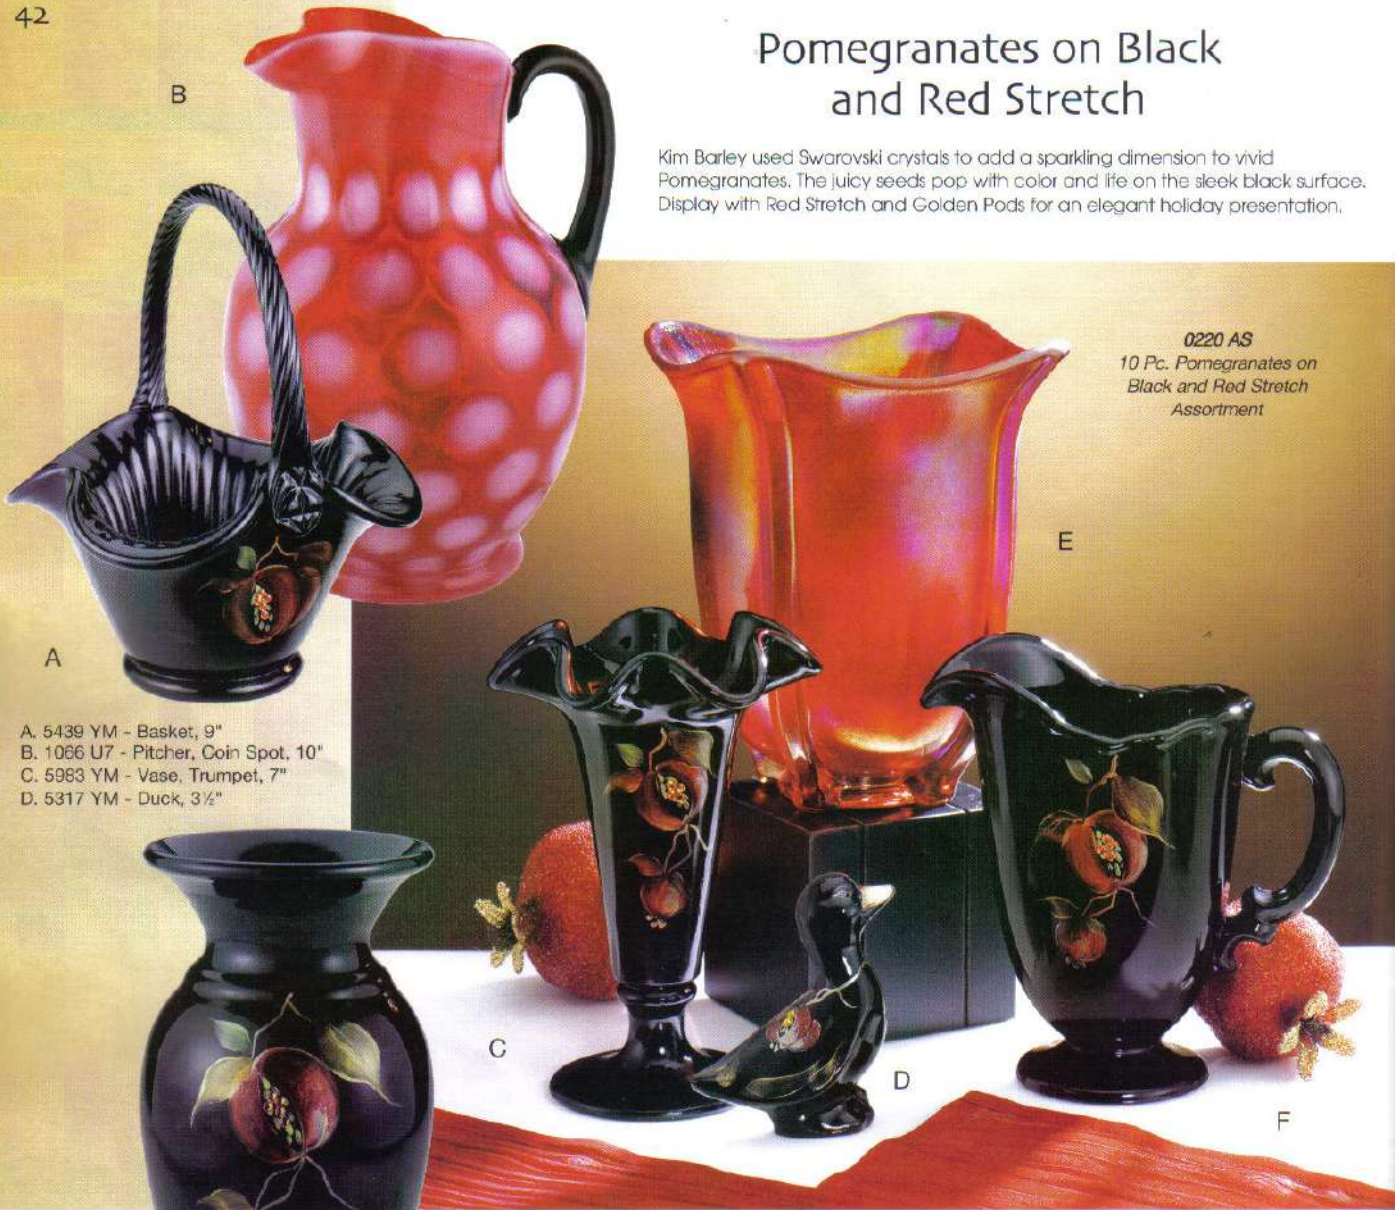

Rich Ruby glass says "warmth & happiness" with some wonderful treasures to continue family traditions. New shapes offered in Ruby for the first time add to the excitement of the season.

Pomegranates on Black and Red Stretch

Kim Barley used Swarovski crystals to add a sparkling dimension to vivid Pomegranates. The juicy seeds pop with color and life on the sleek black surface. Display with Red Stretch and Golden Pods for an elegant holiday presentation.

Silver Birch on Indigo Blue

Once again, Kim Barley has created a shimmering winter wonderland. Her latest design features birch trees and new-fallen snow glittering in the moonlight.

Winter Enchantment on Milk Glass

Designer Frances Burton depicts the hushed beauty of a snow-laden forest broken only by a quiet gathering of deer in "Winter Enchantment."
