

Feathers Vase

F E N T O N[®]

Handcrafted American Glass Artistry

www.fentonartglass.com

Master glass artisan Dave Fetty unveils his latest innovation! Using pure Milk Glass, he has worked other colors into the surface using an entirely new technique. We call it *Feathers*, and we think it will really tickle all of Dave's many fans! **Limited to 850 numbered pieces and embossed with Dave's personal stamp.**

Natural Animals

By popular demand, we've revived a Fenton concept from the past and taken it one step further. Each Natural Animal figurine is meticulously hand-painted by a Fenton artist and has the added attraction of a Swarovski gemstone. So, they're all dressed up and ready to go!

Exotic Butterflies

Fenton fans will be all aflutter over this bevy of beautiful butterflies. Designed by Kim Barley, each is decorated with rich, sheer metallic gold paint and a sprinkle of glitter to add to their character.

Fenton Foals

Several Fentons fell hard for sculptor Suzi Whitaker's new figurine mould, so each of these adorable youngsters bears the signature of a Fenton family member. As you can see, each Fenton Foal has its own distinctive handpainted decoration as well.

Heart Relish

2007 ALSA Exclusive Heart Relish

ALS (Lou Gehrig's disease) has impacted the lives of loved ones in the Fenton family. Amyotrophic Lateral Sclerosis (ALS) is a progressive neuro-degenerative disease that attacks nerve cells and pathways in the brain and spinal cord. The ALS Association funds research into the causes of and treatments for ALS; a portion of the proceeds from the sale of each Rosalene Heart Relish will be donated to the ALSA. Each Rosalene Heart Relish bears the signatures of nine family members and the ALSA logo.

Madras Pink and Meadow Berry on Madras Pink

This warm hue is the newest addition to the family of Fenton pinks. An expensive rare-earth element called Erbium is the secret behind this lovely color.

Intricate handpainting with layers of sheer color, followed by a special sponge treatment creates a lovely burnished effect. Designed by Robin Spindler.

Spring Basket and Figurines

Decorating for Easter or Spring can be easy! An art glass basket from Fenton makes quite a statement when placed in your home for all to see. The lustre of iridized Plum Opalescent glass and a graceful handle in French Opalescent glass are an eye-popping combination.

There's only one word for these Fenton figurines, and that word is CUTE! The Lamb, a new mould designed by Suzi Whitaker, and the Lop-Eared Bunny sport hand-painted decorations designed by Stacy Williams.

Catalog Exclusives

Offered exclusively through this catalog, these two coordinating pieces are handcrafted in Rosalene glass, which contains pure gold and is among Fenton's most popular and collectible colors. Designer Frances Burton's graceful floral motif evokes all the emotions that come with Spring, the joyful season of renewal. Each piece is meticulously handpainted and signed with pride by the individual Fenton artist who completes it.
