

# Pears... designed by *Romy and Clare*<sup>TM</sup>

Smart, sophisticated styling while maintaining the signature Fenton handcrafted appearance. Designed by Romy and Clare, who are members of the prestigious Guild, this design has a large following in lovely galleries. The creative combination of patterns and scale indicates that this was not done by a typical production artist. The oversized items can be used as tabletop or decorative accessories. Individual items make wonderful wedding gifts that make a statement. It is high quality stoneware that is oven and microwave safe.
