2009...Two New Refreshing Colors!

Introducing Fenton Blue Lagoon and Key Lime

Say "welcome" to Spring 2009 with Blue Lagoon and Key Lime, two fresh glass colors from the palette of Fenton chemist Wayne King. Blues and greens have been important to Fenton Art Glass for over a century, and we're pleased to welcome these "new additions" to the Fenton line.

Our versatile Blue Lagoon grouping includes a lamp, animal figurines, baskets, vases, a rose bowl, bell as well as several other items.

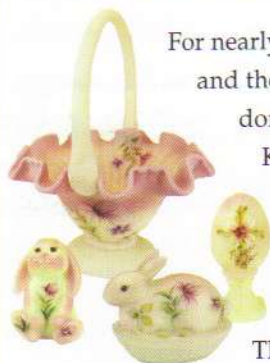

Collectors are sure to want the Dancing Ladies flared vase, and many will be delighted by the Hobnail Gone with the Wind lamp. Designer Kim Barley created the delicate handpainted "Whispers" motif especially for the Blue Lagoon glass color, and the name is apt indeed, as sheer colors float effortlessly on the surface.

Key Lime is all its name implies - colorful, soft, and "oh, so easy on the eyes!" The glass itself has a dreamlike semi-transparent quality that bespeaks tranquility and calmness. Designer Michelle Kibbe's handpainted floral motif is called "Dotted Dreams," and it's available on six different items, including a basket, two vases, a cat, elephant and a 23" student lamp... all available undecorated too. Other affordable Key Lime selections include our ringholder, slipper, rosebowl, votive, and our ever popular Chessie Cat box...purr-fect anywhere!

PLEASE NOTE: We will not be producing a 2009 Fenton catalog... however you can view and order all special seasonal offerings throughout the year online (while supplies last) at www.fentonartglass.com If you don't have internet access, please call our customer service dept. at 1-800-319-7793 ext. 327 / ext. 383 / ext. 282 or ext. 321 and we'll do our best to assist you with your selections!

Easter...Mother's Day...or just because it's Burmese!

For nearly four decades, Fenton Burmese has been a favorite with collectors, and the tradition continues in 2009! Place your Easter orders early and don't miss out on two very special Fenton Family Signature baskets!

Kim Barley's graceful handpainted floral design is inscribed with the signature of Christine Fenton, while our spectacular Burmese "Mother's Day Exclusive" basket has the signatures of three Fenton "Moms" (Nancy, Lynn and Shelley).

This 9 1/2" basket created by Robin Spindler, our award-winning designer, depicts a mother cat and her kitten and is a numbered limited edition of just 950 pieces!

Rounding out our beautiful Burmese Collection is "Wisteria Love," a Kelsey Murphy cameo creation found at www.fentonartglass.com
